Next season looks much brighter for the girls' basketball team because the girls gained a lot of experience and will be out to win.

The varsity football cheerleaders experienced something new this year: they entered a cheering competition. The competition was held on November 22, 1985, at the Johnstown War Memorial. The theme for the competition was "The Best of Times." The girls didn't place, but they had a great time and learned many new things and met many new people. Competing in competitions will be an added addition to future cheerleaders' agendas.

This year's Maple Princess Contest was a brilliant display of talent and showmanship. The twelve contestants put in many long, hard hours of work and rehearsing in preparation for the big night. On the night of the contest, tension was high backstage and everyone had butterflies in her stomach. But, it all come together beautifully. The contestants looked lovely, and the stage became a scene out of a fairy tale. The judges had a difficult time choosing the best out of the best.

"This Could Be The Night"

Ask any girl, in this lonely world
Ask any girl, she'll say make it last forever.
I'm holding out my hand, I finally understand
So turn out the lights (oh yeah) we'll make it last forever.

BRIDGE:
I've been down the streets of desire
Sometimes I was so uninspired
You found what was locked up inside of me.

CHORUS:
This could be the night, the night to remember
We'll make it last forever.
This could be the night
Oh, to end all nights.

I've always been the one
Lovin' on the run
That's when you come undone, oh girl
Why do you wait for me?
Out on the borderline, between the hurtin' lies
And the true emotions, that make it last forever.

Tammy Smith, 1985 Prom Queen, congratulates Queen Glenda.

Athletes Gain Recognition

Outstanding Male and Female Athlete—Wendy Dively, Walt Hobson

It was over 15 years ago that a young, talented member of the Cambria Heights High School football squad received an injury that would confine him to a wheelchair for the rest of his life. This victim was Ken Lantzy, for whom this All-Star Classic is named. Thus, a trust fund was established and all proceeds from this game go into this fund. The game features an All-Star Team from each division of the coaches association. Outstanding high school athletes are chosen from all schools and the first game was played in August of 1971. The 1986 nominees who stocked the lineup for "Ken Lantzy All-Stars" were Walt Hobson, John Allen, and Stan Landis.

1986 CLASS HISTORY

On June 4, 1986 the 67 members of the senior class stood together as one for the last time. In each of our minds the memories of the good times we shared overshadowed thoughts of what lay ahead. As we, the class of 1986, look back upon our days at Berlin Brothersvalley High School we will cherish the many good times forever in our hearts.

In eighth grade Brett Straight and Jennifer Meyers were chosen as the Outstanding Boy and Girl. Paul Kritschgau won the Eighth Grade Math Award.

We elected our first class officers our freshmen year: Steve Calvert—President, Wendy Dively—Vice President, Wendy McKenzie—Treasurer, Angie Murphy—Secretary. Angie Murphy was elected as our freshmen Homecoming attendant. Our float, "Summer," took fourth place. Elizabeth Zimmers was presented with the ninth grade English award. Basketball queen attendants were Kim Merrill, Laura Deeter, and Kerri Frederick.

In our sophomore year, we elected Steve Calvert—President, Kim Merrill—Vice President, Rick Dunn—Secretary, John Allen—Treasurer. Marianne Nicklow was elected our sophomore Homecoming attendant escorted by Rick Dunn. Our float theme "Space Travel" took third place. The tenth grade algebra award went to Marianne Nicklow. Laura Deeter was named the Highest Scholastic Sophomore. The basketball queen attendants were Marianne Nicklow, Wendy Dively, and Pam Fochtman.

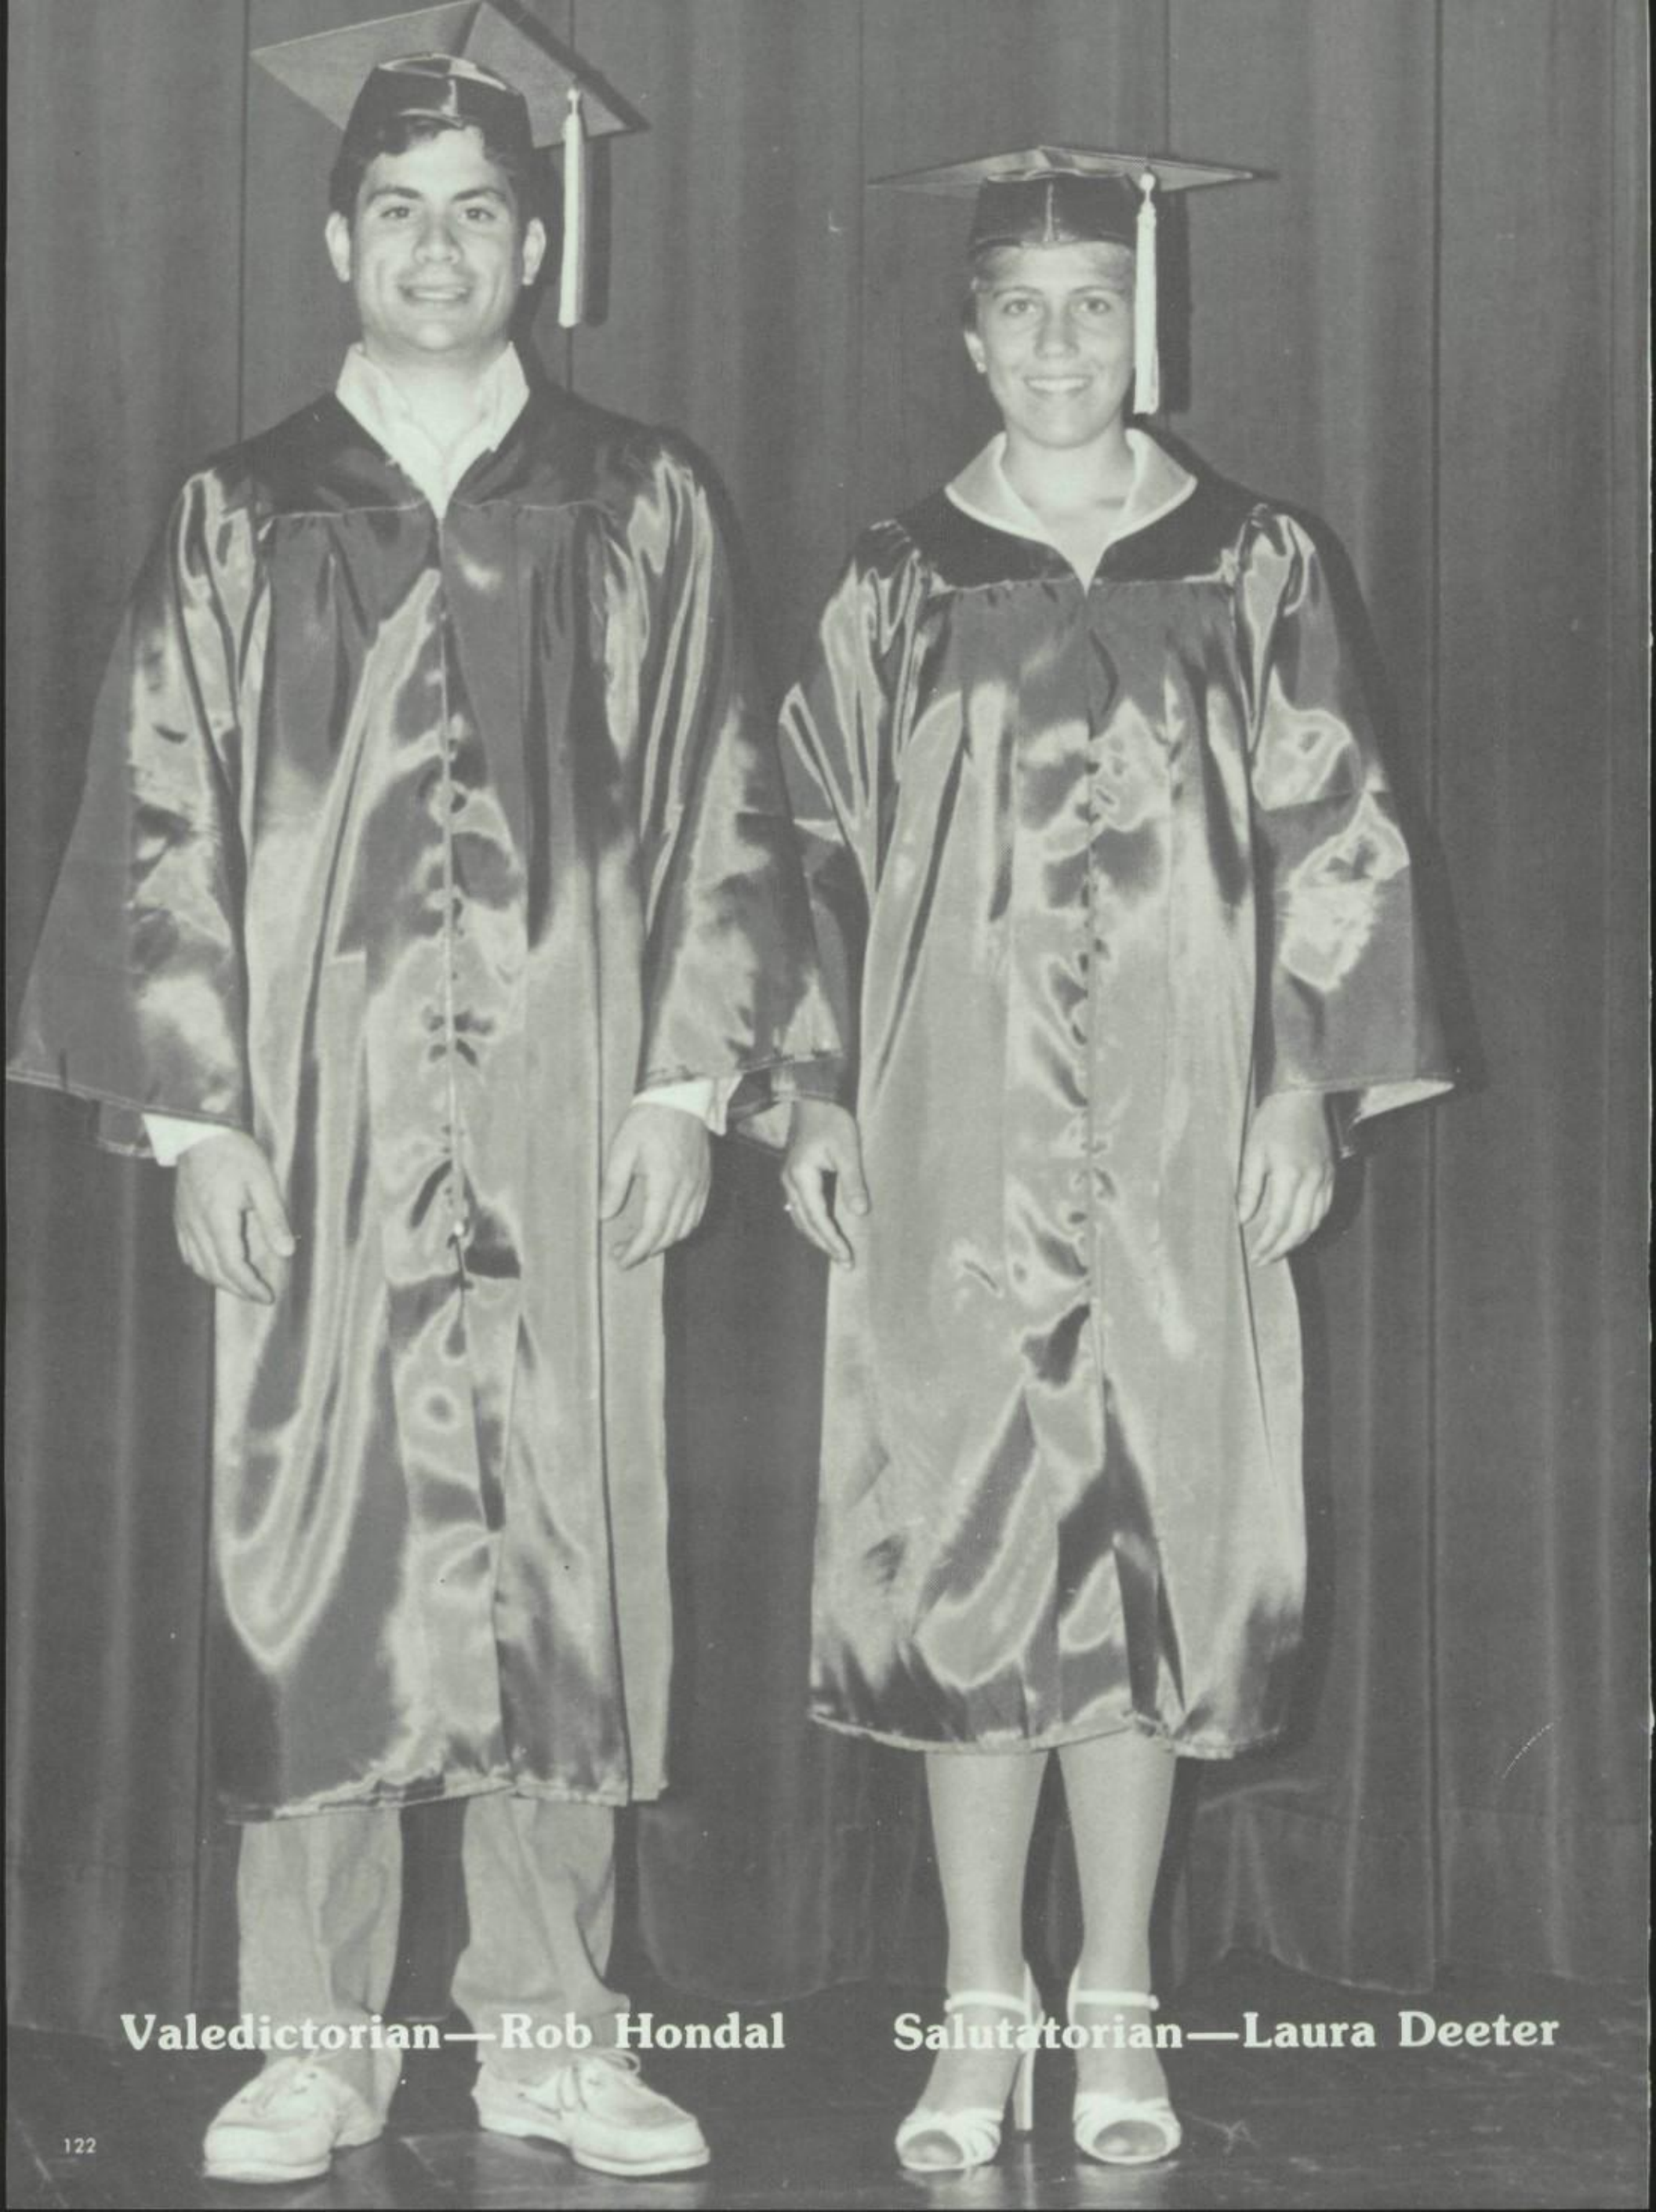
As juniors we selected the following officers: Sheri Custer—President, Brett Straight—Vice President, Sherry Webb—Secretary, Steve Calvert—Treasurer. Our Homecoming attendant was Wendy Dively escorted by Brad Coleman. Our Homecoming float, "Olympics," took first place. Another highlight of our junior year was planning and organizing the Junior-Senior Prom. We sold magazines to raise money for the prom. It was held at the Hidden Valley Resort with the theme "One More Night." The junior attendants were Jennifer Meyers and Sheri Custer. Our junior class play was entitled "Pick-A-Dilly." Our basketball queen attendants were Angie Murphy, Marianne Nicklow, and Jennifer Meyers. Jennifer Meyers was chosen to be the queen. The eleventh grade history award went to Rob Hondal.

As seniors, we realized that our high school years were finally coming to an end. We started off the year by electing the following class officers: Sheri Custer—President, Steve Calvert—Vice President, Kerri Frederick—Secretary, Brett Straight—Treasurer. We chose Wendy McKenzie as our Homecoming Queen. She was escorted by Jim Broderick. The senior attendants were Angie Murphy escorted by Todd Bowser and Sheri Custer escorted by Rob Hondal. Our senior float entitled "Halloween" won first place. The senior class play, "Take Your Medicine," was presented in February. Marianne Nicklow was chosen to represent our school in the annual Maple Queen contest. Beverly Bittner was chosen FFA Sweetheart. Our senior prom was held at Seven Springs Mountain Resort on May 9, 1986. The theme was "This Could Be the Night." The music was provided by Hit and Run. The Prom Queen was Glenda Oakes accompanied by attendants Kim Merrill and Lori Deneen.

Awards Day was held on Friday, May 9. Robert Hondal was named Valedictorian and Laura Deeter Salutatorian of the senior class. Wendy Dively and Angie Murphy were recognized as the Girls of the Semesters. Laura Deeter received the DAR Citizenship Award, and Wendy McKenzie received the Soroptomist Award. The John Philip Sousa Award went to Michelle Engleka.

The PTSO awards were given to Robert Hondal—College Preparatory and Sherry Webb—Business Education. Laura Deeter received the senior English Award. Robert Hondal received the Lions' Club Science and Math Award, and also the S. Garner Pritz Memorial Award for history.

ON that final day, June 4, that we had both dreaded and anxiously anticipated, we finally realized that this truly was the last time we would stand as one. As the memories of yesterday flashed through our minds we hoped time would stand still and this moment would last forever, but when we thought of our dreams for the future, we realized that we must part and go our separate ways.



Valedictorian—Rob Hondal

Salutatorian—Laura Deeter

Snyder of Berlin established their reputation by making potato chips. Not simply potato chips . . . but potato chips that are consistently good and always fresh. Today the golden chips in the resealable silver bag are a sign of quality, and their taste is one you can depend on. So reach with confidence to Snyder of Berlin and bring out the chip with the great taste you can trust.
